Providing Care with Passion

# COMPANY PROFILE

Bothell Serenity Corp stands as a premier provider of home health care services dedicated to enhancing the quality of life for clients while preserving their independence and dignity. This is founded on the fundamental belief that every individual deserves compassionate, personalized care in the comfort of their own home, our organization has established itself as a beacon of excellence in the healthcare industry.

At the heart of our operations is our unwavering commitment to providing exceptional care through a highly trained, skilled staff specifically selected to meet each client's unique needs. We recognize that effective home health care extends beyond medical assistance—it encompasses emotional support, respect for personal autonomy, and the cultivation of an environment where clients can thrive.

Our vision guides us toward becoming the most trusted name in home health care, delivering services with genuine passion while ensuring each client maintains their independence. This aspiration shapes every decision we make and every interaction we have.

Our balanced approach of professional expertise and genuine human connection continues to transform the home health care experience for our clients.

# MESSAGE FROM CEO

“We love what we do. We love Healthcare and helping our clients is our hallmark, and aim to make that passion evident in every aspect of our work”
